

**CONFERENCE AND CORPORATE PRICE LIST**

The Mount Batten Centre conference and event rooms offer a range of rooms that can accommodate from 10 – 120 people. There are 4 main rooms, however we have extra areas such as the patio and terrace that can also be hired. The Waterside room is a very adaptable room, it can be used as a whole room or by adding dividing walls so that we can section the room and transform it in an instant. This flexibility allows the set up and design of the room to be adapted to each individual client.
